16.02.26

Dear Parents, Carers and Families,

As Principal of Botanic Primary School and Nursery Unit, my highest priority is the safety and wellbeing of our children. Recently, I have observed some driving and parking behaviours that may place our students at risk.

To help keep everyone safe, we have begun trialling the use of car parking cones during the busiest times of the school day. We kindly ask that you respect these measures and remain considerate of our neighbours when parking.

Thank you for your cooperation and ongoing support with this matter,

Mr J. Clarke

MORNING ROUTINE

The school doors open at 8.55am and close at 9.00am. It is very important that children arrive to school on time so that they do not miss any teaching and learning. Please make every effort to be in school by 9.00am.

HEALTHY BREAKS

Pupils have a break mid-morning and pupils are encouraged during this period to eat only fruit, vegetable or bread based products and drink only milk or water.

DINNER BOOKINGS

Dinners must be booked by Sunday evening for the week ahead. If you provide a packed lunch for your child, please tell us via the school app.

It is important to make payments for all dinners you book upfront. Dinner will not be provided if you do not make a payment. School will contact you to bring a packed lunch for your child.

Please pay all outstanding Snack, Dinner, Morning Club, Nursery Fund, Swimming money ASAP.

HEAD LICE

Parents/Carers should regularly check their child's hair for head lice. If they need treatment, it is available free from chemists. We encourage pupils with long hair to wear it tied back in school as a preventative measure.

ALLERGIES

We have a number of pupils with allergies in the school and therefore ask that everyone cooperates by not sending in the following products:

- All nuts including horse chestnuts
- Kiwi

Any breaks or packed lunches brought into school must not contain the above products. PLEASE NOTE: Many chocolate spreads DO contain nuts.

Please check ingredients carefully.

Unfortunately, due to issues arising from the labelling of products, birthday cakes must not be sent into school.

OPERATION ENCOMPASS

We are an Operation Encompass School, for more information please go to the school website. If you have a concern about a child, please speak to Ms Murray, our Designated Teacher for Child Protection or Mr Clarke, School Principal.

ATTENDANCE

It is important that children come to school every day. Please ensure any family trips are planned in school holidays. Unauthorised attendance is monitored and reported to the Education Welfare Service.

EVERY SCHOOL DAY COUNTS –

Every single day a child is absent from school equates to a day of lost learning.

Attendance percentages can be misleading.

100% Attendance	0 Days Missed	Excellent
95% Attendance	9 Days of Absence 1 Week and 4 Days of Learning Missed	Satisfactory
90% Attendance	19 Days of Absence 3 Weeks and 4 Days of Learning Missed	Poor
85% Attendance	28 Days of Absence 5 Weeks and 3 Days of Learning Missed	Very Poor
80% Attendance	38 Days of Absence 7 Weeks and 3 Days of Learning Missed	Unacceptable
75% Attendance	46 Days of Absence 9 Weeks and 1 Day of Learning Missed	Unacceptable

For some parents, 90% may seem like an acceptable level of attendance, but the reality is that 90% attendance means that your child will miss half a school day each week or 19 days of school during the school year – that's nearly 4 school weeks.

Key Point

Give your child the best start in life – every school day counts.

CALENDAR DATES - FEBRUARY AND MARCH 2026

16th February	School Development Day – No pupils in school
4th March	School Photographs – more details to follow
16th March	School Development Day – No pupils in school
